

Saturday 31 July 2010

Doors at 6.15 for 6.30-8 pm

Hub Islington, Candid Arts Trust
5 Torrens Street, London, EC1V 1NQ

Paul Kirtley

Paul is the Course Director for Woodlore, a company set up by Ray Mears. He will be talking about tracking – an invaluable skill in wildlife conservation projects.

Katie Bunting

A veteran of four trips with Biosphere Expeditions (Altai, Peru, Oman, and Slovakia), Katie will be sharing her experiences and passion for wildlife conservation in an informal talk

Steffan Stringer

A team member on an expedition to Namibia (cheetahs, leopards, hyena) and a winter project with wolves and lynx in Slovakia. Steffan will show slides and answer questions

An evening with team members

Biosphere Expeditions
