DO MORE

Whether you are back from an expedition and want to do more, or interested in lending a hand, there is more you can do for the planet, for yourself and for Biosphere Expeditions. Here’s how.

BE (radically) GREEN (see 20 TIPS overleaf)

The undeniable crisis our planet is in demands more action and activism. It demands a radical rethink of how we run our lives, societies and the way we treat our planet.

SPREAD THE WORD

Help us to help wildlife and people across the world by spreading the word. Word of mouth is by far the best way to get people excited. Talk to your family, friends, and colleagues about your experience and encourage them to join in too.

CONTRIBUTE YOUR TIME & SKILLS

We always need people with skills who can help us out. Examples are skills in the outdoors, accounting, graphic design, IT, social media, research, etc.

JOIN the Friends of Biosphere Expeditions

The Friends of Biosphere Expeditions are people who feel passionate about providing continuous support to our wildlife conservation and research projects across the globe.

DONATE

Our work on the ground continues after you have left. And this work can always do with more support, so you can make a tax-efficient* and project-specific donation via our crowd-funding website or straight into the accounts of our US 501(c)(3) charity, our German V.V. charity or our UK or Australian non-profits.

RAISE FUNDS by involving your company, match-giving or direct fundraising.

JOIN an ethical citizen science project

Locally: Volunteer at your local nature park or reserve and help support organisations that look after our wild places.

Abroad: Combining conservation with your holiday is a growing trend. Combining some time away from work or domestic chores with a great outdoors experience is good for our mental health as well as the environment.

And whatever you do, make sure you do not join a charlatan project! Read our Top Ten Tips (www.biosphere-expeditions.org/10tips) on how to avoid those.

CONTRIBUTE YOUR AFFILIATES NETWORK

You can also support Biosphere Expeditions through our affiliates network (www.biosphere-expeditions.org/affiliates). When you use the affiliate and our arrangement with them, commissions and perks gained from you using their services will always be ploughed back into our research and conservation work and to benefit our local partners wherever possible.
