32 GORILLA TREKKING, CONGO

The gorilla was discovered in 1902 by British zoologist Sir Henry Travers Ralph. In 1979, the area was made into a national park, and in 1997, it was declared a UNESCO World Heritage Site. The park is home to around 600 gorillas, including the critically endangered Western lowland gorilla and the mountain gorilla. The park is home to a number of other species, including chimpanzees and elephants. The park is open to visitors year-round, with permits required for gorilla trekking. Visitors can also explore the park's trails and go on guided nature walks.

33 WILDCATS AND ELKIN DOLPHINS, ZAMBIA

In Zambia, the wildcat can be found in a number of different areas, including the Luangwa Valley and the Kafue National Park. The wildcat is a small, solitary animal, and it is not known to be threatened by any specific threats. The wildcat is a member of the cat family, and it is related to the lynx and the bobcat. The wildcat is known for its distinctive black and white striped coat, which is used as camouflage.

34 HUACACHINA, PERU

Huacachina is a small desert oasis located on the Altiplano, in the southern part of Peru. The oasis is surrounded by sand dunes, and it is home to a number of other species, including camels and llamas. The oasis is open to visitors year-round, and it is known for its scenic views and its traditional way of life.

**Note:** This list is not exhaustive, and there are many other amazing wildlife adventures available around the world. The list is intended to provide some ideas and inspiration for those interested in exploring the natural world.
50 AMAZING WILDLIFE ADVENTURES

AMAZING WILDLIFE ADVENTURES

WHY I LOVE CHEETAHSA
Princess Michael of Kent, author of a Cheetah Tale
who, in her action, is undeniably elegant, almost flawless around the ground, whirling and twirling as she doggedly and persistently hounds her prey. Due to the speed at which she moves, it is not unusual to witness a cheetah’s flight path as she chases after her prey.

WALKING SAFARI, MALAWI
Opening in April 2018, book a small day trip of a full hunter’s walk from the camp to the Great Reserve. This is the first time a full-sized dinner has been served at the camp in 15 years, and the thrill of the safari is evident.

ALASKAN HUMBACK WHALE WATCHING
Snorkel alongside humpback whales off the coast of British Columbia, Canada. This is a once-in-a-lifetime experience.

A ROYAL ADVENTURE – TIGER WALKING WITH LIONS AND LEOPARDS
Expeditions, a not-for-profit wildlife conservation group, offers the unique opportunity to walk with lions and leopards.

African safari, with camps in Kenya, South Africa, Tanzania and Namibia, offering off-grid short courses as a more sustainable alternative to small-scale tourism.

EcoTraining costs from £935/£1,655 and a seven-day course includes walking with lions and leopards.
